

# AMATEUR RADIO AWARD'S DIRECTORY

### DU-PX Award

Provide evidence of having contact with 15 different Philippine prefixes. SWL OK. No time, band or mode limitations. GCR list and fee of \$US5 or 10 IRCs to Robin U Go DU9RG, PO Box 125, Cotabato City, Philippines.

### Filipinas Award

Work or hear and confirm each of the 9 Philippine call areas. SWL OK.

Any missed district may be substituted with a club station, recognizable by its DX prefix, but no more than two may be claimed in this way. A 5 Band Filipinas Award is available to those who have worked or heard the Philippines on 5 bands. Sponsor recommends that applications be made by registered airmail.

GCR plus \$10US to: Award Custodian, Robin U Go, PO Box 125, Cotabato City, Philippines. (88)

### --- Ham-Ten Series ---

General Requirements: GCR accepted. Fee is \$US2 or 6 IRCs to: DX9HT Award Committee, PO Box 96, 9000 Cagayan de Oro City, Philippines.

### Ham-Ten Award

Contact one station in each of the DU call areas (1-9), two members of the HAM TEN Radio Club and one QSO with club station DX9HT for a total of 12 QSO's. SWL OK. All bands and modes. No band, mode or date restrictions.

### Ham-Ten Birthday Award

Contact special station 4D9HAM during the period of 20 to 23 September each year, on the occasion of the founding date of the HAM TEN Radio Club.

### Pearl of the Orient Seas DX Award

Contact 12 members of the Philippine Amateur Radio League (PARLINC) after 1 Jan 1980. 3.5 to 28 Mhz may be used in any mode. GCR list and 20 IRCs or \$2US to: PARLINC Awards Chairman, PO Box SM 159, Metro Manila 2806, Republic of the Philippines.

### Philippine DX Foundation Series

General Requirements: Sponsored by the Philippine DX Foundation Inc. All bands and modes except cross-mode, one-way QSO's or repeater QSOs are not valid. SWL OK.

Contacts must be made from your home location except that portable/mobile operation allowed if using your own equipment. Only Philippine Amateur Radio Association or PDXF members with prefixes DU, DX, DY, DZ, 4D and 4F are valid for the award. Dxpeditons and special events in nature properly endorsed and/or sponsored by the Philippine Amateur Radio Association (PARA) and the Philippine DX Foundation (PDXF) are also valid for credit. Foreign operators with reciprocal permits or special permits granted by the National Telecommunications Commission must be endorsed by PARA or PDXF for credit.

GCR list and application fee of \$10 or 20 IRCs to the Philippine DX Foundation, PO Box 2000 QCCPO, 1160 Quezon City, M.M., Philippines. Sponsor requests the use of special applications for these awards - send SASE or \$US1 or 2 IRCs. PDXF and PARA members are granted a 50% discount on the fee. Contacts since 1-1-49. You must attach a copy of your license.

---

### **Philippine Districts Award**

Issued for confirmed two-way communications with stations located in the 9 different call districts of the Philippines. No special endorsements. No portable operation.

### **Philippine Provinces Award**

Issued for confirmed two-way communications with stations in the different provinces of the Philippines. Basic award issued for 25 provinces. Endorsement for every additional 25. GCR list in alphabetical order.

### **Philippine Towns and Cities Award**

Issued for confirmed two-way communications with stations in different towns and cities of the Philippines. Basic award issued for 50 different towns and cities. Endorsement for each additional 25.

### **LUZVIMINDA Clubs Award**

Issued for confirmed two-way communications with different club stations located in each of the nine call districts of the Philippines.

### **Mabuhay Friendship Award**

The Philippine DX Foundation (PDXF) issues this award for confirmed two-way communications with amateur radio stations whose callsign end with each of the 7 letters of the word MABUHAY plus each of the 26 letters of the alphabet.

### **DX Club Stations Award**

Issued for confirmed two-way communications with different club stations world-wide except your country. The clubs may be local, national and international. The basic award is for 50 clubs, endorsed for every additional 25 clubs. All QSL confirmations should be official club station QSLs.

### **DX Special Events Award**

Issued for confirmed two-way communications with different special event stations world-wide. These are short term callsigns celebrating events such as anniversaries, national and international celebrations and commemorative events with supporting official declarations. Field day and Dxpeditions are not included. The basic award requires 50 such contacts with endorsements for every 25 additional contacts.

GCR list should indicate the nature of the event. Special endorsement for 50 special events from 50 different countries (not entities).

### **UN-DU Award**

Available to all licensed amateurs for contacting UN member nations after 24 October 1945 on all bands and modes. Applicants must have 100 or more cards with different member countries including DU. Refer to the back of this Directory for UN member list. All UN agencies count as just one additional country such as 4U1UN and any amateur station located within UN territory bearing a callsign not in the host countries block or any authorized amateur station in UN occupied territory such as Antarctica or in a country occupied by an UN peace keeping force. Contacts with colonies will not be considered as a contact with the governing nation, nor shall any colony qualify as a country under this award. Endorsements for all modes.

Photocopies of the QSL cards and a GCR list including date of admission and the date worked must be submitted. Fee for award is \$US15. Registered Mail suggested. Apply to Robin U Go DU9RG, PO Box 125, Cotabato City, Philippines.
